Dear Shoreline Schools Community,

On behalf of the Shoreline School District, I am delighted to welcome you to the 2014-15 school year. It is our hope that students, families, staff and community members find this calendar of key District events, as well as other school information, helpful throughout the year. Please visit our online calendar at shoreline.tandemcal.com, like us on Facebook or follow us on Twitter for updated information.

This is my first year as your superintendent and I am so excited to be joining Shoreline and its 70-year tradition of excellence.

With help from wonderful partners, including the Shoreline Public Schools Foundation, Shoreline PTA Council, Shoreline-Lake Forest Park Arts Council, Center for Human Services and the cities of Shoreline and Lake Forest Park, our District is truly one of the most outstanding in the state. Thank you for your support of our schools.

Sincerely,

Rebecca L. Miner
Superintendent

Thanks to the Shoreline-LFP Arts Council and our student artists

The student artworks displayed within our calendar were selected from Junior Art Show entries in the annual Shoreline Arts Festival. The Shoreline-Lake Forest Park Arts Council, formed in 1989, is dedicated to providing quality arts programs throughout our communities and in our schools.

If you want to become involved or contribute to the work of the Arts Council, you may reach Fred Wong, Executive Director, at 206-417-4645 or info@shorelinearts.net.

The 25th annual Shoreline Arts Festival will be held June 27 and 28, 2015 at Shoreline Center.

The cover for this year’s calendar, titled “Sunflowers,” was drawn by Lake Forest Park Elementary School fifth grade student Max Lyon, chosen from among the entries in the Junior Art Show.

This calendar is published by the Public Information Office, Shoreline Public Schools, 18560 1st Ave. N.E., Shoreline, WA 98155. Phone: 206-393-4412. TTY 206-393-3386. Modifications to school district printed communications to meet the needs of individuals with disabilities may be obtained by contacting the Public Information Office, 206-393-4412.
The Shoreline School Board is a local governance board established by the Washington State Legislature. Although each of the five members comes from a different geographical area in the District, all Board members are elected by all Shoreline and Lake Forest Park voters. Board members serve a four-year term. The Board’s primary task is to formulate and evaluate all policies necessary for the operation of the school district. The Board’s legal responsibilities are to:

- establish general policy for the school district;
- adopt and revise the annual operating budget;
- select the Superintendent of Schools;
- employ school personnel upon the recommendation of the Superintendent;
- exercise the power to administer schools conferred by the state Legislature; and
- keep the public informed on the needs and progress of the education system.

Community members are encouraged to attend school board meetings. Meeting dates are listed in this calendar and on the District Web site at www.shorelineschools.org.

**MISSION STATEMENT**

The mission of the Shoreline School District is to provide a collaborative learning community which engages all students in learning the academic and work-life skills needed to achieve their individual potential and become responsible citizens.

Shoreline Back to School Consortium event at North City 12:30 to 4 p.m.
In the spring of 1944 when the Shoreline School District was officially formed, a contest was held to give the new district a proper name. Fifth grader Marilyn Buckner submitted the winning suggestion. She said that since the district would stretch from Puget Sound to Lake Washington, and from the Seattle city limits to the King-Snohomish County line, that is “shore to shore and line to line,” the new district should be called “Shoreline.”

Shoreline Public Schools provides Equal Educational and Employment Opportunity without regard to race, creed, color, national origin, sex, disability, sexual orientation including gender expression or identity, religion, age, veteran or military status, use of a trained dog to guide or service animal by a person with a disability, and provides equal access to the Boy Scouts and other designated youth groups.

The District complies with all applicable state and federal laws and regulations in all district programs, courses, activities, including extra-curricular activities, services, access to facilities, etc.

The Shoreline School District offers admissions in many Career and Technical Education (CTE) program areas under its open admissions policy. Specifically, the Shoreline School District offers admissions based on selective criteria in classes (such as Advanced Placement CTE programs that require a prerequisite) through a separate application process that is non-discriminatory. For more information about the application process and particular course offerings, contact the admissions office at Shorecrest High School 206-393-4286 or Shorewood High School 206-393-4372.

English language proficiency is not an element of the admissions and participation requirements for career and technical education classes. This notification can be provided in the appropriate language for communities of national origin by contacting 206.393.4365. Inquiries regarding compliance procedures should be directed to Shoreline Public Schools, 18560 1st Ave. N.E., Shoreline, WA 98155. The Title IX Officer and Compliance Coordinator for State Law (RCW 28A.640/28A.642) with overall responsibility for monitoring and ensuring compliance is Brian Schultz, 206-393-4365. The ADA Compliance Officer and Section 504 Compliance Officer is Amy Vujovich, 206-393-4117.
ENROLLMENT

Welcome to the Shoreline Public Schools. New students are encouraged to enroll immediately upon moving into the District. To find out the name and location of the school in your boundary area, please call the Public Information Office at 206-393-4412.

Enrollment is completed at the main office of the school your child will attend. A parent or legal guardian should accompany students when enrolling and bring:

- the student’s immunization records;
- withdrawal form or report card from the last school attended; and
- proof of residency (such as a utility bill or tax statement).

Children enrolling in kindergarten for the 2015-2016 school year must be 5 years old on or before August 31, 2015. Kindergarten enrollment for the 2015-2016 school year begins February 2, 2015. When enrolling your child for kindergarten, please bring:

- proof of age (e.g. birth certificate or passport);
- health history, including immunization records;
- proof of residency (such as a utility bill, tax statement);
- parent or guardians’ telephone (day and evening); and
- name, address, and phone number of child’s doctor and dentist.

IMMUNIZATION REQUIREMENTS

Washington state law requires that all children up to the age of 21 be fully immunized. On or before the first day of school, all students must present or have on file a state Certificate of Immunization form, which is documentation of immunization status. Shoreline requires that students must have proof of immunization or an approved waiver by the 20th day of school. If no proof/waiver is received by the 20th day of school, the student may not continue to attend school until documents are received.

A student may be exempted from these requirements for medical, religious, or philosophical reasons. The law requires a physician’s signature for those wishing to exempt for philosophical reasons. A physician’s signature is also required to accompany a waiver for medical reasons. A proof of membership in a religious group that does not allow a health care practitioner to provide medical treatment to a child will also be required for those claiming a religious exemption.

DISTRICT EXPECTATIONS OF STUDENTS

When students come to our schools we expect them to be honest, respectful and responsible.

We place a high priority on school attendance and participation in classroom and school activities. Students should be prompt, work hard, stay on task, have a positive attitude, and be involved.

The “Student Rights and Responsibilities” handbook is provided to every District family each year with this calendar. You may also find the handbook in English and seven other languages on our Web site at http://www.shorelineschools.org/school_board/student_rr.php/.

WHEN YOUR CHILD IS ABSENT

Please notify the school when your child is going to be absent.

As the parent or legal guardian of a school-age child, you are legally responsible for your child’s school attendance. Under the Washington State Truancy/Compulsory Attendance Act, your child must be in school, unless you have provided a note in writing for an excused absence. If the absence is unplanned (e.g. illness), it is the school’s preference that it receive a telephone call from the parent the night prior to or the morning of the child’s absence and follow that with a written note when the child returns to school.

Please use the following codes when reporting your child absent:

HA: Asthma - Wheezing, Short of Breath
HD: Dental Condition/Appointment
HF: Cold or Flu - Fever, Body Aches, Sore Throat
HH: Headache
HI: Injury/Accident
HM: Medical Appointment
HO: Other Health Condition
HR: Rash - Red Spots, Fever, Chills

FOOD AND NUTRITION SERVICES

The Food and Nutrition Services team works together to develop healthy and appetizing meals for students. Many of the foods are made from scratch, using the best ingredients, including low-fat proteins, whole grain pastas, fresh fruits and vegetables, locally sourced bread, and hormone-free milk. The menus are analyzed and recipes adjusted to ensure they meet USDA nutrition guidelines for each age group for calories, sodium, and saturated fat.

Lunch and breakfast are available at all schools this year. Free/reduced price meals are available for those students who qualify. For more information, visit the Food & Nutrition Services Web site, http://schools.shorelineschools.org/foodservices/, call 206-393-4209, or e-mail nutrition.services@shorelineschools.org.

Meal regular prices:
- Breakfast: $1.75
- Lunch: $3.00
- Grades 7-12: $2.00
- Grades 7-12: $3.25

TRANSPORTATION

Information about Shoreline Schools bus routes is available through E-Link on the District Web site at http://schools.shorelineschools.org/transportation/routes/, or call the Transportation Department at 206-393-4277.
EMERGENCY PROCEDURES DUE TO ICE AND SNOW

Inclement weather make-up dates are 4/6, 5/22, and 6/22/15 and beyond as needed.

During an emergency, check the District Web site (www.shorelineschools.org), Education Access Channel 26 or 36, the District’s Facebook page or Twitter. Families may sign up for email or text notifications at http://flashalert.net/.

When severe weather conditions or other emergencies occur, interrupting regularly scheduled school operations, one of the following announcements will be made:

1. Shoreline Schools Are Closed
   • All schools will be closed for the day.
   • All meetings, field trips, after-school activities, etc. will be canceled for the day.

2. Shoreline Schools Open 2 Hours Late; Buses Operating on Regular Routes
   • General Education and Special Education classes will begin 2 hours late. Shoreline Children’s Center will open 2 hours late.
   • CANCELED - AM Early Childhood Program classes at Meridian Park, Head Start, Zero Period and all out-of-district transportation.
   • Afternoon Preschool and Early Childhood classes will begin at regular times.

Some other suggestions:
   • If you feel the weather may create hazardous traveling conditions, listen to the radio or watch television between 5 a.m. and 8 a.m.
   • Radio and television stations will be announcing schedule changes by district name and number.
   • Please do not call the radio or TV stations or the administration offices.
   • Announcements are for one day only. If they are not repeated the next day, normal operations will be in effect.
   • If it becomes necessary to close some or all schools for unforeseen reasons during the school day and send students home, media will be alerted to broadcast the information and an emergency message will be

posted on the District home page and individual school sites. The School Messenger parental notification system may also be used.
   • Families must make plans at the beginning of the school year for the care of their children in such an event.
   • It is the family’s responsibility to discuss with their children an alternate place (neighbor or relative) to go in case of an unforeseen school closure. This could occur, not only during times of inclement weather, but also for a power failure, loss of heat or water service, fire or other potential danger.
