

Shoreline Public Schools Title I Program

Fall 2020

Title I, Part A is a federal educational program that provides additional instructional services and activities. These additional supports help students in meeting the challenging state academic standards and closing the educational opportunity gap.

Communicate – stay informed and respond to communications from the school

Be an Example – show your child that education is important by attending parent conferences and other school events

Volunteer – if you can, help at your child's school and/or with extracurricular activities

Learn – ask how to help your child with classwork, homework, and future education plans

Get Involved – join parent/teacher organizations, school improvement teams, and other parent committees

Be Active Within the Community – participate in activities with other families, visit the public library, or find other ways to get involved in your neighborhood
