A screenshot of the 'Spanish-Language Resources' section in the Discovery Education app. The header 'Spanish-Language Resources' is in white text on a dark background. Below it, a paragraph reads: 'Discover the vast collection of Spanish-language resources available in Discovery Education Experience. Find popular series, core science clips, and interactives to support Spanish-speaking students in your classroom.' To the right of the text are icons for a plus sign, a pencil, a share icon, and a play button. Below the text are filters for 'K-5', '6-8', '9-12', and 'Educator', with 'K-5' selected. The main content area is titled 'Life Science' and displays a horizontal carousel of video thumbnails. The first four thumbnails are visible: 1. 'Semillas' (Seeds) with a green background and a seedling. 2. '¿Qué son los hábitos saludables?' (What are healthy habits?) with a green background and two cartoon characters. 3. 'Sangre' (Blood) with a red background and a blood cell. 4. 'Cómo se reproducen las plantas' (How plants reproduce) with a blue background and a flower. Each thumbnail has an 'i' icon in the top right corner and 'FULL VIDEO' text at the bottom. A fifth thumbnail is partially visible on the right, labeled 'Conoce'. A small orange bell icon is in the bottom right corner.
