

# English and Humanities Help Sessions

---

## Wednesdays from 11:45am – 12:45pm

If you need help understanding or completing your assignments from your English or Humanities class, come drop into our help session. Ms. Petersen is a Kellogg English and Humanities teacher and is here to help! You might stop by if you need help:

- Starting an essay
- Understanding your assignment
- Getting feedback on your writing
- Selecting a good book
- Finishing an essay or project
- Or just want a place to work and have a teacher there in case you need help.

Check your English or Humanities teacher's Canvas page for the English Help Session Zoom link!
