

Math Help Sessions

Mondays from 3:00 – 4:00pm

If you need help understanding or completing your assignments from your math class, come visit the math help zoom session! This session will be staffed by Kellogg math teachers and can help you:

- Work through a tough problem
- Understand a new skill
- Check your work
- Have a place to work and have a teacher there in case you need help.

Check with your math teacher's Canvas page for the Help Session Zoom link!

Email heather.hiatt@shorelineschools.org if you have any questions!
