Three Tiers of Support

Syre's PBIS system is designed to promote a positive school climate with three distinct tiers of intervention:

Tier I: Every student

Examples include:

Reset Stations: designated area in each classroom for students to reset and use a tool to help them re-focus and manage emotions.

Wildcat Roars: Students who are able to demonstrate any of our behavior expectations are awarded with a wildcat roar. On Fridays, there is a raffle where students are positively acknowledged and rewarded with a book.

Classroom Meetings: Teachers lead a circle discussion to build community and teach students pro-social behaviors.

Kelso's Choices: lessons to develop problem solving skills

Tier II: Targeted Support

Small group social-skill groups

Check and Connect Program

Goal Setting and Behavior Contracts

Mentorship

Tier III: Individualized Support

In this tier, students are met with intensive, individualized plans and connection with outside agencies.
