If you would like to watch these videos in other languages or use closed captioning, here are the directions to do so:

In YouTube, you have the ability to set captions to various languages. YouTube has created a [short informational video](#) (1:08) about the process. In short...

To Turn Captions On/Off

1. Go to the video you'd like to watch.
2. If captions are available, will be visible on the bottom right of the video player.
3. To turn on Captions, click .
4. To turn off captions, click again.

To Select Caption Language

1. At the bottom right, click Settings .
2. Click Subtitles/CC.
3. Select a language.
4. If the language isn't listed when you click Subtitles/CC:
 1. Click Auto-translate.
 2. Select a language.Click [here](#) for more complete information.
