

## 6th-12th Grade PM Cohort Student Daily Schedule (M, T, Th, F)

*\*All students will have Asynchronous Remote Learning on Wednesdays, see*

*Wednesday schedule for details\**

*Note for Cascade K-8 Families: The daily schedule for Cascade K-8 will align with the current schedule for grades K-5. Students will be on campus 9:00-11:30 or 1:00-3:30. A more specific schedule will be provided by the school.*

**Blue= Asynchronous Remote Learning 8:00-10:50 am**

**Green= In-Person and Synchronous Remote Learning from 12:25-3:15 pm**

Live instruction will occur at the same time with the same teacher for onsite and remote students in each cohort. For example, a teacher who is teaching in-person at school would also stream that live instruction to the 100% remote students in that cohort.

If a teacher is not able to return to the classroom for in-person instruction, they will live stream their lessons simultaneously to remote students and to an in-person classroom that has a staff member assigned to supervise and support the students who are on campus.
