2. **Display a piece of paper with dark ink with your child/ren's name and teacher/s name** in the window.
3. As you pull into the school front driveway, a staff member will greet you with a social distancing wave and radio to the front of the school your child/ren's name.
4. **Pull up to the front of the school, stay in your car please**, and staff will bring the bags of items for each of your children and hand them to you in your car.

News From Your School Library

Please Return Library Books This Wednesday and Thursday

The time has come to return school library books. Library books are being returned this Wednesday (4/29) and this Thursday (4/30). Your family should have received an email listing the LFP Library books that are checked out. Please email me if you did not receive this list. If a title doesn't ring a bell with your child, I recommend typing in the title as a Google Image Search to find a cover image. Please see Principal Miner's instructions for picking up student belongings and returning library books at:

Kids! Vote Today For Your Favorite WCCPBA Read-Aloud Award Nominee

Each year, the LFP PTA supports the library's purchase of the 20 Washington Children's Choice Picture Book Award Nominees (WCCPBA). All of the classroom teachers rotate 15 of the books and read them aloud to their students. Book related learning activities are included inside each book. I read the other 5 books to our students. Thank you, LFP PTA!

In the spring, LFP students vote for their favorite book and their votes are added to the statewide tally. The 2019 winner was "The Legend of Rock Paper Scissors" Parents, please ask your child to login to their K12 Google Account and visit the LFP Library website

(www.shorelineschools.org/lfplibrary). There, they will find a form to fill out and vote. If they are already logged into Classlink, they are logged into Google. **Voting will end on May 31, 2020.**

Please Vote! Thank you for returning library books. :-)
