Dear LFP Families:

The Immigration Forum is tonight, April 11th, 6:00–8:00 pm. The City of Lake Forest Park is pleased to offer this event to ensure families have accurate information on this topic. This event will be held entirely in Spanish. Later in May, the City of LFP will hold the same forum in English at Brookside Elementary with interpreters for many languages. There will be information about immigration polices with current updates, as well as opportunities for community members to ask questions of the LFP Police, the Mexican Consulate, and immigration lawyers and advocates.

Seussical Musical: A big congratulations to our amazing stage crew and performers in last weekend's musical. Thank you to PTA for funding this opportunity for our 4th-6th grade students. Suzy Segulja and Amanda Jones, thank you for all of your hard work to help the students be so successful!

Hope to see you at El Dia Del Ninos (Day of the Child) on Friday, April 28th at 5:30 pm. This is a fun free family event hosted by our fabulous Natural Leaders.

Salmon release this Friday, April 14th at 4:00 pm at Brookside Creek at Brookside Elementary. All families are invited to release our salmon into Brookside Creek located on the East Side of Brookside. We will give each child a cup full of salmon fry and then they get to release the fish into the creek. Please wear boots, as it will be muddy on the creek's edge. The salmon fry have been growing in our tank in our library since January and we are excited for them to start their journey in our local waterways.

Shoreline Stakeholder Survey: Thank you to those who have filled out the Shoreline stakeholder survey. Our Teaching and Learning Department wants your feedback to inform Shoreline's Instructional Strategic Plan. The link to the survey was emailed to you and can be found on the front page of the district website. We appreciate you taking the time to provide your perspective on instruction in our district.

Enjoy your Spring Break next week with your wonderful children!

UPCOMING TRIP OR ABSENCES?

Spring break is April 17th-21st. If your family is planning to extend your spring break, please let the office know. The LFP office has a 24 hour message line available for you to call, or you may email, joanne.olson@shorelineschools.org. All trips must be approved by our principal, Mrs. Miner.

Please be aware of our upcoming Smart Balance testing for our 3rd-6th grade students will be in May. (See attached calendar) Please take this into consideration when scheduling appointments and family trips.

* Please note that our attendance policy is very strict because we do not want students missing any instruction. Staying home for birthdays, out of town guests, or because a sibling has an appointment are all considered unexcused absences. If your family is planning a trip, you need to please ask for approval to have it excused. Please make it a priority to have your child at school every day and on time. The habits you help them develop now will set positive habits for the rest of their schooling and working lives. Thank you for your cooperation on this.

News From Your School Library

Every Family Has Access To Britannica Online Encyclopedia

In the “old days,” if a librarian or family wanted to buy a set of encyclopedias, you would need to spend hundreds of dollars for the set of books. Today, every family in LFP gets three free sets of encyclopedias! Our school has access to the the Britannica Online Encyclopedia. Britannica is a fantastic tool for students to use for researching topics in the classroom. It features three levels of text, multimedia resources, and related web links. Extremely organized and appealing to the eye, Britannica can be accessed on any student computer, home computer, or public library computer. If your child is researching an animal, biography, historical event, etc. Britannica will provide the information they need.

Staying Hydrated

With the start of warmer weather, remember to keep those kids hydrated.

It seems like we're always hearing about how important it is to drink a lot of water. Our bodies constantly lose water — when we sweat, exercise, and go to the bathroom — so we need to replace it. And when it's warm out or you're exercising it's important to drink extra water. A person can feel sick by not having enough water. Signs of not drinking enough are feeling dizzy, lightheaded, headache, having a dry or sticky mouth, and producing less urine and darker urine. Please encourage water at home and send your child with a water bottle to school.

Día del Niño

Friday, April 28, 2017

5:30 pm to 7:30 pm
LFP Cafeteria

Join us at the Lake Forest Park Elementary School Cafeteria to honor children and celebrate childhood with our annual **Día del Niño Event**. Celebrated worldwide at various times throughout the year, notably in countries such as Mexico, Día del Niño is all about the little ones. We'll be offering 2 hours of fun for children of all ages, including a piñata, interactive games, hands-on arts and crafts and much more. This is a free event put on by Natural Leaders of LFP. This will be a potluck event. Please bring your favorite dish for sharing.

For more information, please contact Maria Cristina Canales @ 206.403.3452, cris-olm@hotmail.com, or Katherine Henson @ 206.393.1332

THANK YOU LFP FAMILIES!

The crayon drive for Children’s Hospital by The Pink Polka Dots Guild was beyond successful! We collected a total of 108 boxes of new crayons and \$120. Thank you to everyone who donated crayons or money. This will make many children at the hospital happy!
