Art takes you on a journey
Welcome to the 2020-2021 School Year!

On behalf of Shoreline Public Schools, I am happy to welcome you to the 2020-2021 school year. It is my hope that students, families, staff and community members find this calendar of key dates, as well as other school information, helpful throughout the school year.

While we are beginning our school year in our Remote Continuous Learning 2.0 model, it is our hope to begin a phased return to in-person learning as soon as possible. You can make sure you have the latest updates and information on our learning models and options by visiting our website at www.shorelineschools.org. We will also share regular updates via email, text and phone call. If any of your contact information has changed since you registered your child, please check with your school registrar to update that information.

As we have learned throughout the COVID-19 pandemic, plans, activities and events can change based on the health of our community. Those listed in the calendar are subject to change, so please visit our web calendar at www.shorelineschools.org/calendar for the most up-to-date information for events and activities in our district.

Thank you for your support of our schools.

Sincerely,

Dr. Rebecca Miner
Superintendent

The student artwork displayed within our calendar was selected from Youth Art Show entries in the annual Shoreline Arts Festival. The Shoreline-Lake Forest Park Arts Council, formed in 1989, is dedicated to providing quality arts programs throughout our communities and in our schools.

If you want to become involved or contribute to the work of the Arts Council, you may reach Lorie Hoffman, executive director, at 206.417.4645 or director@shorelinearts.net.

The 31st annual Shoreline Arts Festival will be held June 26-27, 2021 at Shoreline Community College.

The cover for this year’s calendar, titled “An Afternoon to Reflect,” was painted by Kellogg Middle School student Britany Morales Rodriguez.
Welcome to the Shoreline Public Schools. New students are encouraged to enroll immediately upon moving into the District. To find out the name and location of the school in your boundary area, please call the Public Information Office at 206.393.4412.

Enrollment is completed at the main office of the school your child will attend. A parent or legal guardian should accompany students when enrolling and bring:

• the student's immunization records;
• withdrawal form or report card from the last school attended; and
• proof of residency (such as a utility bill or tax statement).

Children enrolling in kindergarten for the 2021-2022 school year must be 5 years old on or before August 31, 2021. Kindergarten enrollment for the 2021-2022 school year begins February 1, 2021. When enrolling your child for kindergarten, please bring:

• proof of age (e.g. birth certificate or passport);
• health history, including immunization records;
• proof of residency (such as a utility bill, tax statement);
• parent or guardians’ telephone (day and evening); and
• name, address, and phone number of child’s doctor and dentist.

Washington state law requires that all children up to the age of 21 be fully immunized on or before the first day of school. If no proof/waiver is received by the first day of attendance at school, the student may not continue to attend school until documents are received. This means that for each student, the school must have received: a Certificate of Immunization form, OR a Certificate of Exemption Form exempting the student from these requirements for medical, philosophical or religious reasons. The Certificate of Exemption form for newly enrolled students and current students who have new immunization requirements must include a healthcare provider's signature for those wishing to exempt for medical, religious or philosophical reasons. A religious membership exemption is used when a parent/guardian affirms membership in a church or religious body that does not allow medical treatment for the child. A healthcare provider’s signature is not required only in this case.

As of the 2019-2020 school year, philosophical exemptions are not allowed for the MMR vaccines for any students or children in childcare. Medical and religious exemptions are still allowed.

When students come to our schools we expect them to be honest, respectful and responsible.

We place a high priority on school attendance and participation in classroom and school activities. Students should be prompt, work hard, stay on task, have a positive attitude and be involved.

The “Statement of Responsibilities and Rights of Students” handbook is provided to every district family each year with this calendar. You may also find the handbook in English and seven other languages on our website at: www.shorelineschools.org/schoolboard.

## Transportation

Information about Shoreline Schools bus routes is available through e-Link on the district website at www.shorelineschools.org/transportation or call the Transportation Department at 206.393.4277. The Transportation Office is located at 1216 NE 165th St. in Shoreline.
In the spring of 1944, when the Shoreline School District was officially formed, a contest was held to give the new district a proper name. Fifth grader Marilyn Buckner submitted the winning suggestion. She said that since the district would stretch from Puget Sound to Lake Washington, and from the Seattle city limits to the King-Snohomish County line, that is “shore to shore and line to line,” the new district should be called “Shoreline.”

In the event of a school delay or cancellation, families will be contacted by phone and/or email using our mass notification system. Please ensure that your contact information is up-to-date at your student’s school.

You may find school delay/cancellation announcements on local television and radio stations, by calling our information line at 206.393.6111 or online at: www.shorelineschools.org, www.facebook.com/shorelineschools, or www.twitter.com/shorelinek12.

THE FOLLOWING OPTIONS MAY BE USED FOR EMERGENCY CONDITIONS:

1. SHORELINE SCHOOLS ARE CLOSED
   All schools will be closed for the day. All meetings, field trips, after-school activities, etc. will be canceled for the day.

2. SHORELINE SCHOOLS OPEN - 2 HOURS LATE - BUSES OPERATING ON REGULAR or SNOW ROUTES
   a. All zero period secondary classes will be canceled.
   b. K-12 classes will begin 2 HOURS LATE.
   c. AM and PM Head Start transportation canceled, AM Early Childhood transportation canceled, STEP transportation canceled and out-of-district transportation will be CANCELED.
   d. When schools open 2 hours late, the Edwin Pratt Early Learning Center will open 2 hours late and Children’s Center Extended Day sites will open 2 hours late. Half Day preschools classes will start at normal times.

SNOW ROUTES:
   Snow routes have been designed to avoid areas where hazardous road conditions exist. You can find snow routes on the Transportation Department web pages at www.shorelineschools.org. When snow routes are in effect, they will be used on both the morning and afternoon routes even if roads have cleared. There may be occasions when schools start at the regular times but “snow routes” will be utilized.

EMERGENCY DISMISSAL:
   If it becomes necessary to close a school during the school day and send students home early, our mass notification system will be used to contact families by phone and/or email. A message will also be placed on the District homepage and social media accounts. Because a parent/guardian may not be at home if there is an emergency dismissal, they must make plans for an alternate place (neighbor/relative) for their child to go. Families should keep their emergency contacts up-to-date and discuss this alternate plan with their children so they know what to do in case of an emergency closure of schools. There will be no after school extended care.

   If someone other than the parent will be picking up the child, parents should have already provided the school with the names of the individuals who are authorized to pick up the child. Unless an approved person picks up the child, the child will remain at school until the announced dismissal time.

   It may be necessary in some situations to close schools early and hold students at school until a parent (or authorized person) comes to the school to pick them up. In this case, there will be an announcement that students are being held at school and will not be sent home.
The Shoreline School Board is a local governance board established by the Washington State Legislature. Although each of the five members comes from a different geographical area in the District, each board member is elected by all Shoreline and Lake Forest Park voters. Board members serve a four-year term. The Board’s primary task is to formulate and evaluate all policies necessary for the operation of the school district. The Board’s legal responsibilities are to:

- establish general policy for the school district;
- adopt and revise the annual operating budget;
- select the Superintendent of Schools;
- employ school personnel upon the recommendation of the Superintendent;
- exercise the power to administer schools conferred by the state Legislature; and
- keep the public informed on the needs and progress of the education system.

Community members are encouraged to attend school board meetings, which are held in the Shoreline Center Board Room, 18560 1st Ave. NE, or online. Meeting agendas and participation information can be found at www.shorelineschools.org/schoolboard.
