COVID-19 IMPACTS

We opened for full-time instruction at full occupancy in September 2021 under guidance from state and local health authorities. Athletics & activities have modifications.

Our 2020-21 school year was a remote instruction model on a 3x3 schedule. Students took a 3 period schedule with classes that earned .5 credit per quarter. Students received a report card every quarter. In April 2021, 52% of students returned to in-person learning with low density half day attendance. Many students and most activities remained remote. We had limited athletic seasons from February to June 2021.

In Spring of 2020, we were on a remote model from March through the end of the school year.

The SAT and ACT are scheduled to be held this fall. Local administrations have been reduced since March 2020.

ACADEMIC PROGRAM

During full in-person instruction, students typically take six classes per 90-day semester and earn six credits per year on a modified block schedule. All students are issued Chromebooks.

GRADING

As of September 2021, we have returned to Washington State standard grading. GPAs are unweighted. Class rank is not calculated.

For Spring 2020, students earned grades on an A-D scale; no Fs were issued per Washington State directive. During 2020-2021 the school provided instruction online and through a hybrid model. 2020-2021 grading continued the no F policy began during the period of closure and used NC when a student was not able to complete a course.
