

First and Last Name _____

Grad Year _____

Registration for 2021-2022 SHORECREST HIGH SCHOOL

Select 6 courses and course codes for each semester and 3 alternates. Use the Registration Guide and your graduation requirements worksheet to select courses that satisfy graduation requirements and your interests.

- Course codes listed with 2 course codes are year-long classes, and count for 1.0 credit toward your total.
- Course codes listed with 1 course code (ex: ENG801) are semester-only and count for 0.5 credit.
- Honors/AP classes require a full-year commitment, and some AP classes assign summer homework.
- Some courses are listed twice on this form, as they may fulfill more than one requirement area (ex: Drama ENG321 - listed under both English and Fine Arts, may count as either).

After you have made your selections, enter your choices ONLINE in Family Access, and verify that you have registered for a total of 6.0 credits.

- Be sure that your form matches your online selections.

Save this form in your google drive for future reference.

Due date to enter choices into Family Access: March 5th, 2021

- I have selected 12 classes (6.0 Credits) for the year, and have selected (3) alternates.
- I have spoken with my parent/guardian about my course choices for next year.
- I have entered my requests and alternates online via Family Access.

Enter the courses and [course codes](#) you choose here:

	Semester 1	Semester 2
English	Ex: Eng 10, Eng 561	Ex: Eng 10, Eng 562
