SHORECREST HIGH SCHOOL
Registration for 2020-21

1. Please select 12 classes (6.0 credits) for the year, making a check mark on the line next to each chosen course. Please also write in 3 alternates in the box on the back of this form. Use the Registration Guide and your graduation requirements report to select courses that satisfy graduation requirements and your interests.

   - Course codes joined with a "+" are year-long courses, and count for 1.0 credit toward your total. When you register online for the first of these two codes, the system will automatically enter the second for you. (Ex: if you select English 10 and enter ENG561, ENG562 will be entered for you.)
   - Course codes listed with single codes (ex: ENG801) are semester-only (1 class/0.5 credit).
   - Honors/AP classes require a full-year commitment, and some AP classes assign summer homework.
   - Some courses are listed twice on this form, as they may fulfill more than one requirement area (ex: Drama—ENG321—listed under both English and Fine Arts may count as either). Please select each course only once.

2. Enter your choices online in Family Access, and verify that you have registered for a total of 6.0 credits.

   - Be sure your form matches your online selections.

3. Return this form—with check marks by your final choices, and signatures from both you and your parent/guardian—to your Highlander Home teacher by Thursday, March 5, 2020.
