COVID-19 IMPACTS

All Spring 2020 courses included school facility closure days due to the COVID-19 pandemic emergency. We closed to in-person instruction on March 13 2020 and remained closed through June 2020. Our local community colleges had a fully online Spring Quarter, affecting our Dual Enrollment students.

Our 2020-21 school year is a remote instruction model on a 3x3 schedule. Students take a 3 period schedule with classes that earn .5 credit per quarter. The schedule includes daily meetings to support and focus our students, who will receive a report card every quarter.

Neither the SAT nor the ACT has been administered locally since early March 2020. We do not anticipate consistent regional administration until fall of 2021 at the earliest.

Athletics and school sponsored extracurricular activities were cancelled in Spring and Fall 2020. Abbreviated athletic seasons began February 2021 for selected sports. Clubs remain remote.

Future decisions will be based on King County's reopening phases. We have been in Phase 2 (of 4) since June 2020.

ACADEMIC PROGRAM

During full in-person instruction, students typically take six classes per 90-day semester and earn six credits per year on a modified block schedule. All students are issued Chromebooks.
