Committee looked at future dates for meetings and agreed to the dates listed. *(see attached)*

Committee looked at the Adoption Timeline Sheet for clarification of process. *(see attached)*

Decision Making Model – *(see attached)*

Consensus/Quorum/”Yes” vote

Thumb vote was taken to adopt this model

Current reality –

Using combinations of Great Body Shop & Flash curriculums

Current curriculums are somewhat outdated.

New report card has only a “Pass/Fail” check box for Health

Neighboring school districts contacted provided similar input on what they are doing

State Standards – *(see attached)*

Current Standards that were adopted spring 2017 – (assessments not available yet)

With each standard are outcomes which may vary and are flexible and fluid.

Committee was divided into 3 Groups to assess a few outcomes and connect them to standards.

Committee spent time looking over the OSPI Standards/Core Ideas document *(see attached)*

8 Standards

6 Core Ideas

Multiple Outcomes

The task of this committee is to assess curriculum options and propose a selected product.

The committee’s goal today is to become familiar with the Standards and be ready to review the curricula in relation to the Standards.

Moving forward the committee will create a decision-making rubric that will be the reference for selecting curriculum.

Group Activity –

• What do I know? • What do I want to know? • What I have learned?

Next Meeting: November 9, 2017
