

Online Meal Applications

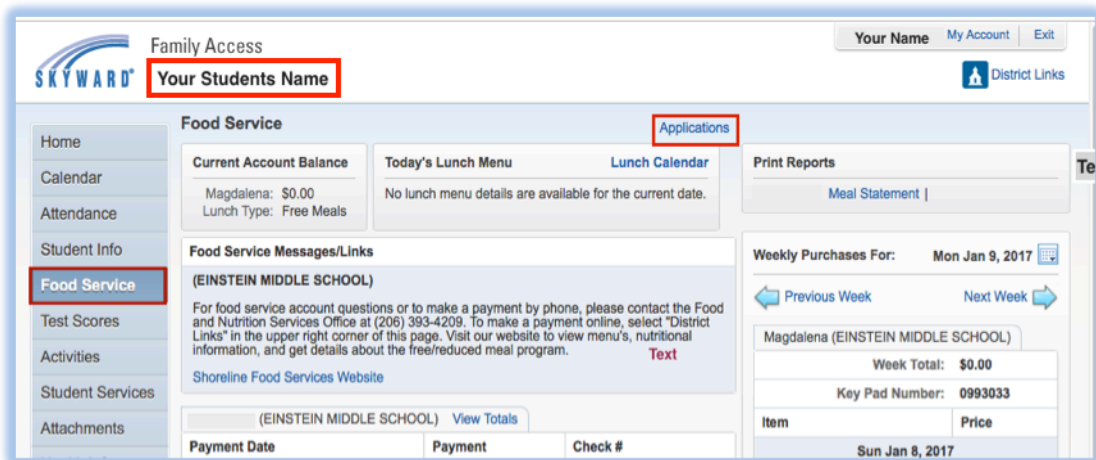

The Food and Nutrition Services Department offers the option to fill out meal applications online through Family Access. When you submit an application for free or reduced priced meals, the information you provide is confidential and only viewed by the Food and Nutrition Service Office. Only one application is needed per family; be sure to include all students currently enrolled in the Shoreline School District.

Once you have started the process, you will find additional information in the Letter to Households including contact information for questions you may have.

1. Login to your [Family Access](#) account. You will find this link under the **Family Tab** at [shorelineschools.org](#)

2. Select **"Food Service"** from the left side of the screen. In the upper left, make sure that one of your student's names is selected (and it doesn't say "All Students"). Select **"Applications"** Located in the middle of the page.

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the Social Security Number of the adult household member who signs the application. The last four digits of the Social Security Number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (Basic Food), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a Social Security Number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
