

# Highly Capable Advisory Committee

Date: November 7, 2018

Location: Mt. Rainier Room - Shoreline Center

Call to Order: 4:00PM

Roll Call:

**Present:**

**Absent:**

Agenda:

## Today we will Discuss

- Get to know one another
- Updates
- Goals for the year
- Connect to priorities
- Communication & Connection Plan
- Nuts and Bolts

Summary:

Maria Stevens opened the meeting by reviewing group norms and leading an activator activity to help team members get to know one another.

Updates were provided on:

- New legislation
- Implementation of committee's recommendation to use the CLED scales for identification
- Recommendations of the Secondary Review Committee from last year
- Professional learning
- Goals for 2018-2019
  - Math enrichment tasks
  - Ongoing training and professional learning
  - Use of CEE Survey to inform our work
  - Change of kindergarten model
  - Review math model
  - Explore AP Capstone diploma and courses

Reviewed the communication plans for 2018-2019 and 2019-2020. Primary elements of communication are:

- HiCap Advisory - for feedback and information re: program and services
- HiCap Newsletter - for communicating general information with all families of HiCap students in the district
- Shoreline HiCap Parent Association - standing meetings with parent group for hearing parent concerns and questions and for the district to be updated on what this group provides/supports parents and schools

Reviewed identified priorities from last year

Adjournment: 5:30 PM
