Opening

- Welcome & Introductions
 - Team building activity/activator
- Agenda review

Task #1

- Renzulli Scale for teacher feedback was revised based on suggestions from the committee at the last meeting and brought back for feedback.
- Participants then discussed:
 - Would this form be easier for teachers and result in higher completion rate?
 - Would this form still provide us with as valuable, valid, and accurate feedback?
- Discussed use of CLED Scales in addition to Renzulli next year as an option for teachers to complete instead for students who are linguistically and economically diverse.

Task #2

- Review of changes in identification, programs, and services made this year.
 - Revised testing schedule, testing in neighborhood schools during the school day, 2nd grade screening
 - Serving students in single area and neighborhood schools
 - New model of service in middle school - cohort/cluster in ELA and Math pending board approval
 - Professional learning provided this year
 - Kindergarten outcomes, other ways to measure success of implementation
 - Changes to communication with families and schools
- Review of data of number of students screened and identified

Closing

- Review agreements and next steps
- Provide feedback
- Nuts & bolts
