E. Homecoming hits and wishes

- Elise: Homecoming was stupid, fun to hang out with friends and dress-up, music selection was bad, overall people wished that they didn't go to the dance, suggested on picking a DJ that was in with the music
- Ella Anderton: a lot of people didn't go to dance b/c of concern of admin walking around with flashlights, people didn't receive flyers
- Bereket: music was boring, better DJ, personally had fun, people didn't know about song request
- Jasmine: Significant improvement from last year, movie = good alternative, music selection was fairly good considering the fact that school is trying to prevent grinding, song request happening before the dance
