Shoreline School District has a graduation requirement of 40 hours of community service. When students give of their time and talents, they learn about their potential as contributing members of the community. Any planning, training, or performing of service that benefits the community and is sponsored by a non-profit organization will be recognized.

As you choose community service sites, you must consider the following: service is performed for a non-profit organization and completed outside of school hours; no pay is received; volunteerism strengthens your sense of community, employability and scholarship potential; and hours may not also be used for a class grade or for the courts.

**Step 1: Complete student information. Please PRINT clearly.**
