The McKinney-Vento Act is a federal law designed to ensure that students experiencing homelessness receive the educational services they need, including early intervention and special education. Every school district is required to have a McKinney-Vento Liaison, who must identify students experiencing homelessness and connect them with programs/supports. The Act defines "homeless" to include a wide variety of temporary or inadequate living situations, including those identified in Section B below.

In order to ensure all students are receiving services and supports they are eligible for, we ask that you complete and return this form to your students' school.

**1. Where are you and your family currently staying? Check one box.**
