The Youth Development for Education Results workgroup of the Road Map Project in King County, Washington developed the survey items based on the workgroup's research about student motivation and engagement and the skills and dispositions that matter most to school success. The Center for Educational Effectiveness collaborated with the workgroup as the lead research partner in the development of the items, the pilot testing, and implementation of the survey items. For details about the Road Map Project and this work: <http://ydekc.wordpress.com>.

9 Characteristics of High-Performing Schools

9 Characteristics Student Summary

Ridgecrest Elementary

The Characteristics, "Curriculum, Instruction, and Assessment", "Communication and Collaboration", and "Focused Professional Development", are professional activities conducted amongst the adult school community and are rarely viewed by students. Thus questions regarding those Characteristics are not a part of the survey and do not appear in this report.
