The reason the supply list is so small this year is because:

The (PTA) **P**arent/**T**eacher **A**ssociation (Which is all of the families of Briarcrest) has offered to purchase all of the **"Community Use Items"** for all of the classrooms for the 17/18 school year. This is happening because of all the great support that the families give during all of the fundraisers that are put on throughout the year. Thank you to all the wonderful families of Briarcrest for all of your volunteering and support throughout the year, it really does take a village to help raise all our fabulous children.
