

Financial Worksheet Instructions for 2020 Senior Project/ High School & Beyond Plan

The worksheet is only required for students doing Career, Internship, Gap Year, or Missionary/ Religious pathways.

1. Make an electronic copy of [2020 Financial Worksheet Senior Project](#).
2. Fill it out online using your projected wages and hours. The yellow areas require you to fill in your own information or numbers.
 - a. For the percentages, fill in either actual or what your goal might be.
 - b. If you are living with family and not paying rent, you should enter 0% and \$0 on that line. If you know that your phone bill is \$125 / month, then fill in \$125 on that line and figure out what percentage of your monthly income that is.
 - c. If you do not have many living expenses, then you might want to make a goal to save 50% or more of your salary.
 - d. If you do not have a particular expense, skip that line.
3. Follow instructions on the sheet.
4. Answer the *Lessons Learned* questions by typing in the boxes.
5. Print out your completed sheet. The copy will be turned in with your tracking sheet, resume, and other materials.
