

College Admissions and Subject Tests Policies

> Schools that require subject tests of all applicants

| College | Policy/Link |
|---------------------------------------|--|
| California Institute of Technology | Math 2 and one science (Biology, Chemistry, or Physics) http://www.admissions.caltech.edu/content/how-apply-first-year-applicant |
| Harvard University | "We normally require two subject tests..." (student choice) https://college.harvard.edu/admissions/apply/application-process/sat-subject-tests |
| Harvey Mudd College | Math 2 and one additional (student choice) https://www.hmc.edu/admission/apply/first-year-students/application-materials/ |
| Massachusetts Institute of Technology | Math (Level 1 or 2) and one science (Biology, Chemistry, or Physics) http://mitadmissions.org/apply/international/intltests |
| Webb Institute | Math (Level 1 or 2) and one science (Chemistry or Physics) http://www.webb.edu/admissions/eligibility/ |

> Schools that require subject tests if SAT is submitted; not required if ACT is submitted

| College | Policy/Link |
|-------------------|---|
| Duke University | Strongly recommends two (student choice) http://admissions.duke.edu/application/instructions |
| McGill University | Requires two for most programs (see link for specifications) https://www.mcgill.ca/applying/requirements/minima/usa |
| Rice University | Requires two (in fields related to proposed area of study) https://futureowls.rice.edu/futureowls/Standardized_Tests.asp |
| Tufts University | Arts & Sciences: Requires two (student choice) Engineering: Math (Level 1 or 2) and one science (Chemistry or Physics) SMFA: No subject tests required no matter if SAT/ACT submission http://admissions.tufts.edu/apply/first-year-students/sat-and-act-tests/ |

Updated July 2017

> Required of applicants to specific programs only

| College | Policy/Link |
|---------------------------------|---|
| Boston University | 7yr Medical/Dental Programs: Math 2 and Chemistry; Recommends one Foreign Language https://www.bu.edu/admissions/apply/program-requirements/ |
| Carnegie Mellon | Requires two for most programs (see link for specifications) https://admission.enrollment.cmu.edu/pages/standardized-test-requirements |
| Cooper Union | Engineering: Math (Level 1 or 2) and one science (Chemistry or Physics) https://cooper.edu/admissions/testingpolicy |
| Cornell University | Arts & Sciences: Requires two (student choice) Engineering: Math (Level 1 or 2) and one science (Biology, Chemistry, or Physics) https://admissions.cornell.edu/standardized-testing-requirements |
| George Washington University | 7 Yr Medical Program: One math and one science (no other specifications) https://undergraduate.admissions.gwu.edu/special-interest-programs |
| Northwestern University | Optional for all applicants (reading as recommended) HPME program: Math 2 and Chemistry ISP program: Math 2, Chemistry, and Physics http://admissions.northwestern.edu/faqs/high-school-courses/index.html |
| Pratt Institute | Architecture: Recommends Math (Level 1 or 2) https://www.pratt.edu/admissions/applying/applying-undergraduate/ug-application-requirements/freshmen/ |
| Stevens Institute of Technology | Accelerated Pre-Med: Requires Math (Level 1 or 2) and one science (Biology or Chemistry) https://www.stevens.edu/admissions/undergraduate-admissions/how-apply/first-year-students |
| Union College | Leadership in Medicine: Math (Level 1 or 2) and one science (Biology, Chemistry, or Physics) https://www.union.edu/admissions/apply/test-policy/ |
| University of California | Some campuses and programs recommend (see link for specifications) http://admission.universityofcalifornia.edu/freshman/requirements/examination-requirement/SAT-subject-tests/index.html |
