## Pre-FAFSA Steps

1. Set up FSA ID. The student needs one and one parent needs one. Fill out FSA ID worksheet first, then do task on [fsaid.ed.gov](https://fsaid.ed.gov).
2. Determine FAFSA parent [studentaid.ed.gov/sa/fafsa/filling-out/parent-info](https://studentaid.ed.gov/sa/fafsa/filling-out/parent-info).
3. Download Worksheet and practice (optional; see below).

## Gather Documents to Fill Out FAFSA/ WASFA

- Social Security card for parent and student, or Alien Registration Number
- Driver's license number (if you have one)
- 2017 Tax Records  
2017 Federal Income Tax Return (IRS 1040, 1040A, 1040EZ) for parent and for student (if the student filed taxes)  
W-2 forms, 1099 forms for parent and student if the student filed taxes
- Records of other 2017 income (child support, welfare benefits, Social Security income, interest income, military benefits, etc.)
- Current bank/ brokerage statements  
You will be asked for current balances of \$ on hand on the date you sign the FAFSA, not 2017 balances.
- List of colleges you are applying to (you can add more schools later).  
Look up Federal School Codes for each college: [fafsa.ed.gov/FAFSA/app/schoolSearch](https://fafsa.ed.gov/FAFSA/app/schoolSearch)

## Optional Pre-FAFSA Practice Exercise

1. Download the 2018-2019 worksheet from [www.shorelineschools.org/swcollegeandcareer](http://www.shorelineschools.org/swcollegeandcareer). This worksheet is from last year and it is only for prep. It cannot be sent in as a real FAFSA.
2. Become familiar with the content of the FAFSA and fill out the worksheet by hand.
3. When you fill out the online FAFSA, transfer information from paper to the fields on the online form, checking carefully for differences between the worksheet and the web version.
